EasyPD Sign Up

Please encourage your colleagues to sign up to access PD Funds and to remain up to date with Local and provincial ATA updates and initiatives! Visit your [YouTube](#) channel to find out how.

Please check out a fantastic site entitled [Support Our Students](#). It's a nonpartisan, nonprofit website that encourages people to advocate and fight for students to have fair and equitable access to public education. The organizers volunteer their time for the institution of public education. The site includes a fantastic tool kit for the purpose of helping concerned Albertans meet with their local MLAs.

Visit their [website](#) to learn more.

Darryl Webb
Political Engagement Officer

Dear Colleagues,
Although we are experiencing a difficult time and an uncertain future in public education, I continue to be encouraged by all of you. Day in and day out you show your professionalism by doing the best you can for the children in your care. In addition, you speak out against those that threaten current learning and teaching conditions. You know what is important and you work tirelessly to make things better. Over the upcoming Christmas break, please take care of yourself! Treasure your time with family and friends, relax, rejuvenate, and count the blessings in your life. Recognize that those you love, good health, and friendship are the most valuable gift you can receive. We will continue our work in the new year connected, committed, and supporting one another.

Merry Christmas and Happy New Year!
Deneen, Local President
